

An Update from your Recruitment Team

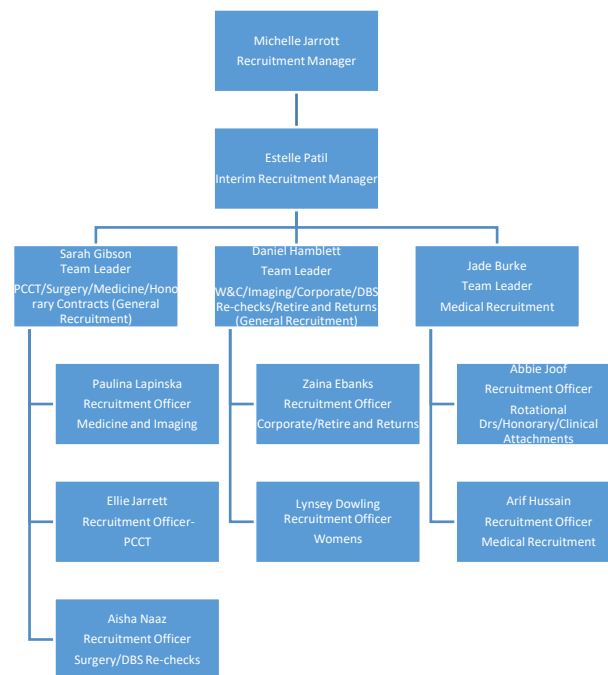

The recruitment team have recently undergone some team member and structure changes and therefore felt it pertinent to share with colleagues our new recruitment structure and introduce you to some new team members.

Team Leaders and Recruitment Officers have been aligned to specific groups to provide all managers with a named contact. New members to the team include:

Paulina Lapinska – Recruitment Officer

Aisha Naaz – Recruitment Officer

Jade Burke – Team Leader

The recruitment team now utilise TRAC for all recruitment activity and therefore the quickest way to contact the team is through the TRAC system or any emails that you receive from TRAC, if this is not possible you can call the team on 0121 507 5070 or any other enquiries can be made through our generic email inboxes: swbh.recruitment@nhs.net or swbh.medicalrecruitment@nhs.net.

We would request and advocate that where possible all communication is sent through TRAC. This supports the recruitment team in their responses to you in the event that a colleague is on leave and their area of work is being covered.
