

To whom it may concern,

This letter certifies that this vehicle is authorised to park within a Restricted Parking Zone provided as part of the Birmingham 2022 Commonwealth Games and is being used by an NHS or Care Agency employee delivering essential patient care within this restricted parking zone. **This letter provides authorisation only as required during additional restrictions imposed due to the Commonwealth Games and does not apply to existing non-Commonwealth Games related restrictions.**

In exceptional circumstances where no other alternative is available, this letter also certifies that this vehicle is authorised to park on a No Stopping Road provided as part of the Birmingham 2022 Commonwealth Games and is being used by an NHS or Care Agency employee delivering essential patient care.

An NHS / Care Agency identification badge will be provided upon request when required.

I can confirm this certification is only being used for the delivery of essential patient care.
