381 MT - MMUH Patient Ceiling Hoist	26-Mar-2024	12:00	26-Mar-2024	13:00	Confirmed			381 Clinical Skills Lab 2, Education Centre, Sandwell Hospital	Sandwell General Hospital			

Need to Unenrol / Change your Booking?

If you need to **Unenrol**, you can do it from here, click icon as shown above, then select a **Reason** from the drop-down list and then **Finish**. You may then book another course if needed.

Note on who should attend:

Please note that these training sessions are for staff who are already up to date with their Moving and Handling Training, but who did NOT receive training on the new patient ceiling hoist as part of their training.

Staff who are due to attend their practical Moving and Handling training in Sandwell Education Centre will have patient ceiling hoist training included in the session if possible (i.e. if the training is in Clinical Skills 2), so would therefore not need to book this separate session.
