

Blood Culture Training Course

eLearning Instructions

Centric Cortex

This document is a quick guide to the eLearning that is available for the **Blood Culture Training** course on the Centric Cortex eLearning system, which is accessible from any device.

*****Note: Google Chrome is recommended for running Centric Cortex*****

Centric Cortex is the system used for Unity and many other courses, so you may already have an account – there is a **Forgotten Password** link if you need it.

1. Link: <https://swbt.premierit.co.uk/login> - (if you have an account, log in and skip to step 4). **There is also a link on Connect / Corporate Systems.**
2. Click **Register** – follow the instructions and look out for authorisation email
3. Set your password then log into the system as directed on the email
4. Click  at the top left and then **Library**
5. Click **Mandatory/Other Training**, then select **Blood Culture Course**

Tip: Use the back arrow (top left of screen) to go back to the main page after each module

Click **Enrol** at the top right (as circled above) and then scroll down to complete the two modules.
